Counsel,

As noted in Chief Judge Seeborg's Order (Dkt. No. 325), the current stay of this case will expire 90 days from the date of the order unless a motion to extend is filed. Google believes the stay should remain in effect in view of the infringement action Netlist has filed against Samsung asserting the '912 Patent. *See Netlist v. Samsung*, No. 2:22-cv-00293-JRG (E.D. Tex.). Allowing the Samsung case to proceed will streamline the issues in this case while avoiding the potential inefficiencies noted in Judge Seeborg's order. Accordingly, Google intends to file a motion to extend the stay. Please let us know if Netlist will agree to join—or not to oppose—the motion.

Best Regards,
